

INTRODUCE A GIRL TO ENGINEERING

A day for Middle School aged girls to discover and learn about the different disciplines of engineering, to meet current engineering students, and to learn how engineers have the privilege and opportunity to make the world a better place.

When: Saturday April 7th, 2018

Where: Colorado State University, Suzanne and Walter Scott Bioengineering Atrium

Put on by: The Society of Women Engineers, Colorado State University Section

Registration will be open on February 1, 2018
